

BROADCAST

June 10, 2004

2:30 – 3:30 PM EST / 1:30 – 2:30 PM CST/12:30-1:30 PM MST

“Pending Supply/Demand Dysfunction: How Long, How Bad, Where”

Featuring:

Chris Helms, Moderator
Jim Hackett, President & CEO, Anadarko Petroleum
Kathleen Eisbrenner, President, Excelerate Energy
Terry McGill, Enbridge-U.S.

Target Audience: Gas Supply Marketers, Marketing Executives, Business Development Executives and Senior Executive Leadership

Objective: This is an on-going discussion about supply and the growing impact of demand on future pipeline expansion to serve the market.

Topics to be discussed:

- From Wellhead to the market: Who's leading the way
- LNG Project(s) Analysis
- National Energy Policy: Who needs it?
- Worldwide production forecasts
- How Fast Will Demand Grow?
- Major Concerns for Pipelines, LDC's, Marketers
- Global Economy and Natural Gas
