# **FERC Orders 2004/2004-A**

## **Standards of Conduct for Transmission Providers**

**June 22, 2004**  
**9:30 -11:30 AM CST/ 10:30 AM – 12:30 PM ET**

### **SYNOPSIS**

FERC Orders 2004/2004-A institute fundamental changes to the scope of the standards of conduct. Starting September 1, these new regulations will impact interstate pipelines, LDC's and their energy affiliates. This broadcast will review the new regulations and their impact on the natural gas industry.

### **TARGET AUDIENCE**

Attorneys, Regulators and Managers of Business Operations

### **PROGRAM CONTENT**

Discussion will be centered on the implementation and enforcement of FERC Orders 2004/2004-A and its impact on **Corporate Governance**.

#### **Scope of the Rule**

- Which affiliates and company functions are covered
- Which employees are affected
- The no-conduit rule
- Information sharing (requirements, prohibitions)
- Pre-operations application of the rule
- Exemptions

#### **Compliance**

- Chief Compliance Officers
- Training and certification

#### **Enforcement – FERC's OMOI**

### **PANELISTS**

**Moderator - Joel Zipp**, Partner, Bracewell Patterson LLP  
**Demetra Anas**, Senior Counsel, OMOI-FERC  
**Anne Bomar**, Managing Counsel for Dominion Resources  
**Peter Frost**, ConocoPhillips (invited)  
**Paula Gant**, Director, Energy Policy, Duke Energy

**CLE's available from EBA for registered participants**

This Broadcast is the fourth in the series of the Professional Development Track
